

WHISTLEBLOWER PROTECTION

The Board of Directors makes provision for the disclosure and investigation of conduct that is believed to be unlawful, dangerous to the public or injurious to the public interest (“Wrongdoing”). Employees are entitled to a positive, supportive environment where they can seek advice and, if necessary, disclose Wrongdoing without fear of reprisal (“Reprisal”), knowing that such disclosures will be taken seriously.

Rationale

The Province of Alberta has enacted the *Public Interest Disclosure (Whistleblower Protection) Act and Regulation(s)* (“PIDA”) in order to:

- a.) Facilitate the disclosure and investigation of significant and serious matters, in or relating to public bodies including school authorities, which an employee believes may be unlawful, dangerous to the public, or injurious to the public interest.
- b.) Protect employees who make those disclosures.
- c.) Manage, investigate and make recommendations respecting disclosures of Wrongdoings and reprisals.
- d.) Promote public confidence in the administration of public bodies.

Principles

1. The PIDA will serve as an overriding framework for this policy. The Superintendent, as CEO of the Mother Earth’s Children’s Charter School Board of Directors, will serve as the Chief Officer and the Secretary Treasurer will serve as the Designated Officer in accordance with PIDA. Complaints of Reprisal are submitted directly to the Public Interest Commissioner, who has exclusive jurisdiction to investigate Reprisals.
2. Mother Earth’s Children’s Charter School (“Mother Earth’s Children’s Charter School” or “School”) expects that its employees will meet ethical standards for personal conduct and work performance, as applicable. These standards include, but are not limited to the following:
 - 2.1 Adhere to all applicable laws and regulations;
 - 2.2 Adhere to all applicable School policies and procedures;
 - 2.3 Adhere to Alberta Education ethical standards for charter schools;
 - 2.4 Adhere to job requirements in a professional and competent manner;
 - 2.5 Provide competent and effective service to the School;
 - 2.6 Avoid real or perceived conflict of interest between responsibilities as an employee and any outside interests; and
3. Maintain confidentiality of all records related to an investigation under Policy16. If any employee suspects or has evidence of Wrongdoing to a member of the School community, they will have an avenue to report their suspicions or evidence to proper personnel, who will act appropriately to address the concern. Employees making disclosures of Wrongdoing

Policy16

should address any urgent concerns about potential criminal activity directly with local law enforcement.

4. An employee who makes a disclosure of a suspected or confirmed incidence of Wrongdoing addressed by this policy shall be protected from Reprisals for disclosing the concerns, provided the concerns were raised in good faith. No Mother Earth's Children's Charter School employee or person acting on behalf of the Mother Earth's Children's Charter School shall take any act of Reprisal against an employee making a disclosure of Wrongdoing, including:
 - 4.1 Dismissal or threat thereof;
 - 4.2 Discipline, suspension or threat of either;
 - 4.3 Harassment or abuse;
 - 4.4 Imposition of any penalty, directly or indirectly; and
 - 4.5 Intimidation or coercion.
5. Procedures outlined in this policy should not supersede reporting processes for allegations of unprofessional conduct outlined in the Code of Professional Conduct for teachers.
6. The policies and procedures for disclosing Wrongdoing shall be identified on the Mother Earth's Children's Charter School website. All members of the Mother Earth's Children's Charter School Society, as well as Mother Earth's Children's Charter School employees should be aware of this policy and related procedures.
